Essential Community Supports (ECS) and Family Support Grant (FSG) Program Limits Effective 01/01/2022

Program	Limit	Applied	Amount

Consumer Support Grant (CSG) Monthly Budget Limits Effective 01/01/2022

Step 1: Person has one dependency in an Activity of Living (ADL) and/or Level I Behavior. Use the home care rating LT and corresponding monthly amount for the monthly CSG budget. Steps 2-3 do not apply to this home care rating. No additional time is given for critical ADLs, behaviors or complex health needs.

Step 2: Person has two or more dependencies in ADLs. Use steps 2 and 3 below to determine the home care rating and total time.

NOTE: Each additional critical ADL, complex health or behavioral need would add another \$115.00 to the monthly grant amount.

Step 3: Determination of Total Time: If the PCA assessment shows a person has one or more of the following descriptions, an additional 2 units or \$115.00 per month is added to the CSG monthly base amount for the Critical ADLs, Behavior, and Complex Health needs listed below:

Critical ADLs

- Eating
- Transferring
- Mobility
- Toileting

Behavior

- Increased vulnerability due to **cognitive** deficits or socially inappropriate behaviors
- **Resistive** to care including verbally aggressive
- Physical **aggression** towards self, others or destruction of property

Complex Health

- Tube Feeding
- Wounds
- Parenteral/IV Therapy
- Respiratory Interventions
- Catheter
- Bowel Program
- Neurological Intervention
