

EVV Compliance Requirements Timeline - 2026

January 1, 2026 - Initial Compliance Requirements Begin

Provider Responsibilities:

- Complete HHAX enrollment (regardless of system or payer).
- Submit complete EVV data for all visits (including noncompliant ones).
- Achieve $\geq 50\%$ compliance for all billed visits.

DHS Responsibilities:

- Review compliance data from Oct-Dec 2025.
- Contact providers below 50% compliance.
- Raise awareness and allow preparation.

April 2026 - Formal Corrective Actions Begin

DHS Responsibilities:

- Review data from Jan-Mar 2026.
- Send formal corrective action notices to providers below 50%.
- Begin quarterly reviews and corrective actions.

July 1, 2026 - Higher Compliance Threshold

Provider Responsibilities:

- Continue submitting complete EVV data.
- Achieve $\geq 80\%$ compliance for all billed visits.

DHS Responsibilities:

- Review data from Apr-Jun 2026.
- Send corrective actions to providers below 50%.
- Begin sending notices for below 80% compliance in October 2026.

October 2026 - Enforcement of 80% Compliance

DHS Responsibilities:

- Review data from Jul-Sep 2026.
- Send corrective actions to providers below 80% compliance.

Provider Responsibilities

Provider Responsibilities:

- Monitor compliance for all tax IDs and NPI/UMPI numbers.
- Regularly review reports and correct issues proactively.
- Watch MN-ITs mailboxes for DHS communications.

Compliance Reports and Corrective Actions

DHS Responsibilities:

- Monthly reports sent on the 25th via HHAX to the enrollment email.
- Review reports and send corrective actions via MN-ITs mailboxes.
- Corrective actions may require:
 - - Raising compliance by a deadline.
 - - Submitting a written improvement plan.
 - - Meeting with DHS to discuss performance.
- Enforcement escalation may include:
 - - Claim takebacks.
 - - Payment holds if providers fail to respond or improve.
